SG GRC appoints Gemma Ansell as Director – Risk & Protective Services (GCC)

LONDON, 12 April 2020: SG Agricola Limited (to be renamed Sumner Group GRC Limited, "**SG GRC**") a security services company specialising in governance, risk and compliance, has appointed Gemma Ansell as Director – Risk & Protective Services (GCC).

David Sumner, Chairman of SG GRC commented "I am delighted to welcome Gemma to SG GRC. Her breadth of experience and network within the GCC will be invaluable as we look to further grow our business in the Middle East. May I take this opportunity to wish her luck during this next stage of her career."

About SG GRC

Sumner Group GRC Limited (SG GRC) provides expert protective services, COVID-19 assessments, cyber and analytics and security training services for corporate, private clients and governments worldwide.

About Gemma Ansell

With over 20 years of expertise across the United Kingdom and the UAE, Gemma has extensive experience in spearheading major initiatives in security management, policing, and working with government bodies and law enforcement agencies. Skilled in event management, executive protection and VVIP management, Gemma has always worked closely with protocol teams, law enforcement and state security agencies.

In the UK, Gemma served for 14 years as a commended management-level Detective in the British Police, leading investigations of serious, organised and fiscal crimes. She had

a distinguished career across several disciplines - Firearms, CBRN, Riot & Public Order, Management of Serious Crime, and Investigation.

Gemma moved to the UAE as a Serious Crime Expert and Tactical Advisor to Abu Dhabi Police CID, working on many Sheik-sponsored projects and spearheading their programme to recruit and develop female detectives. Most recently Gemma worked at the British Embassy in Dubai as the Post Security Manager, Head of Security for the large British Diplomatic Mission.
